## **The Nightlamps**

## Delorean

Last night I had a dream about tim

Small kids break some teeth to lick the pale feet

Lay down the bed with nightlamps to read more to drink more to forget

French suits and smoke

Fuzzy nitgh loves

Shoegazing late shows

Fearing moles in the dark

Kids trying out to hard girls giving up to fast

Fearing sex and puberty lust
Puffy pants at waists
French suits and smoke
Fuzzy nitgh loves
Shoegazing late shows
Fearing moles in the dark
'Go and try it you should go and try it just go to try it go and try it'
