

# I'm Not Ready

Delta Goodrem

I am broken  
There's a stranger on the phone  
Something's missing from seven years ago  
You tell me baby, don't you cry anymore  
That's the past and not what we've become but I know

I am shaking  
Not a breath left to breathe  
All this sadness so cold that I can't speak

Look me in the eyes  
You know it's ok that we didn't make it forever  
Come hold my hand  
Hold on to this last minute we have together

I'm not ready to say goodbye  
You and god both know all the years I've tried  
And if it's over give me the strength to go  
Cause I know I'm never gonna be  
I'll never be ready to say goodbye to you

Your bags are all packed  
They're waiting at the door  
But it's hard to imagine you won't live here anymore  
I'm scared of tomorrow and the emptiness to come  
But I've changed for the better since I've known your love

So look me in the eyes  
You know it's ok that we didn't make it forever  
Come hold my hand  
Let's hold on to this last minute we have together

Cause I'm not ready to say goodbye  
You and god both know all the years I've tried  
And if it's over give me the strength to go  
Cause I know I'm never gonna be  
I'll never be ready to say goodbye to you  
I'll never be ready

And even if we tried we would end up right back to this place together  
This was not a lie, what we had will always be real love forever

Cause I'm not ready to say goodbye  
You and god both know  
All the years I've tried  
And if it's over give me the strength to go  
Cause I know I'm never gonna be  
I'm not ready to say goodbye  
You and god both know  
All the years I've tried  
And if it's over give me the strength to go  
Cause I know I'm never gonna be  
I'll never be ready to say goodbye to you

I'll never be ready
