

## In This Life

Delta Goodrem

I was nurtured I was sheltered  
I was curious and young  
I was searching for that something  
Trying to find it on the run  
Oh and just when I stopped looking  
I saw just how far I'd come  
In this life  
In this life

R: You give me love  
You give me light  
Show me everything that's been happening  
I've opened up my eyes  
I'm following  
Three steps fight and honest fight  
Two hearts that can start a fire  
One love is all I need  
In this life

I have faltered I have stumbled  
I have found my feet again  
I've been angry and I've been shaken  
Found a new place to begin  
My persistence to make a difference  
Has led me safe into your hands  
In this life  
In this life

R:

I was put here for a reason  
I was born into this world  
And I'm living and I'm believing  
That I was meant to be your girl  
In this life  
In this life
