

Danced Right Out Of My Arms

Delta Rae

I know you're thinking 'bout me
That it just dawned on you
Now you want to send me letters
Something better's harder than finding the truth
But don't send me no more cards
You know you broke my heart
You had your chance
And danced right out of my arms

I know you're thinking 'bout me
(Thinkin' 'bout me)
That it just dawned on you
(Ooh)
Now you want to send me letters
Something better's harder than finding the truth
(Findin' the truth)
But don't send me no more cards
You know you broke my heart
You had your chance
And danced right out of my arms

(Girl I want to talk about it talk about it)
I don't want to talk about it talk about it
(Come on I want to talk about it talk about it)
Well, I don't want to talk about it talk about it
(Come on come on come on)
Stop

So you can love me and love me and love me
Forever and always
I never I never I never I never will fall
'Cause I loved you, and you broke my heart
And I know that you'll do me harm
'Cause you had your chance
And danced right out of my arms

Oh

I know you're thinking 'bout me
(Thinkin' 'bout me)
That it just dawned on you
(Ooh)
Now you want to send me letters
Something better's harder than finding the truth
(Findin' the truth)
But don't send me no more cards
You know you broke my heart
You had your chance
And danced right out of my arms

You had your chance
And danced right out of my arms
