

# Scared

Delta Rae

Remember when you said you loved me?  
Remember when you said that it would all work out?  
We packed up and we left one morning  
And everything you promised didn't happen, and now

I'm swirling softly  
Drifting like the cream in your coffee  
And you're talking calmly

When I'm scared  
To be on our own  
When the thrill is gone  
And I'm scared  
Thinking what we've done  
To try to love someone  
Baby can you keep your promise?  
Baby can I keep you honest?  
Cause I'm scared

There's nothing in the sky above me  
There's nothing strung below us, baby, if we fall  
We're caught between a spark and lightning  
We're caught between forever and nothing at all  
And I'm sorry, I love you  
But even those words are getting see-through  
And I'm losing it all to this feeling, baby

I'm scared  
To be on our own  
When the thrill is gone  
And I'm scared  
Thinking what we've done  
To try to love someone  
Baby can you keep your promise?  
Baby can I keep you honest?  
Cause I'm scared

When you say you love me  
When you say you love me  
(I'm scared)  
Are we ever gonna be okay?  
When you say you love me  
(I'm scared)  
Are we ever really gonna feel safe?  
When you say you love me  
(I'm scared)  
Is there something I can say?  
When you say you love me  
(I'm scared)  
Is it better if I walk away?  
When you say you love me?

Cause I'm scared  
To be on our own  
And I'm scared  
Thinking what we've done  
Baby can you keep your promise?

Baby can I keep you honest?  
Cause I'm scared.
