

Mata nodo ga kawai te shimatta no
Sugu ni namida wo tameru yo
Kyo mo tsume wo tateru te wo tori negau
Kimi no shiawase wo

I'm satisfied with my grief for love
Therefore I grieve for pleasure

Doushite waratte kure nai no
Mada sora wa kurai yo
Hikari ushinatta me ga oboe te iru
Kimi no egao wo

I'm satisfied with my grief for love
Therefore I grieve for pleasure

Tomara nai ame ni butare te
(Even if the world is broken
I do not stop praying for you)

Obore yuku kokoro mitasa re te
(Even if the world is broken
I do not stop praying for you)

Owari yuku ishiki no naka de
(Even if the world is broken
I do not stop praying for you)

Owari naki ai wo sasageru

I'm satisfied with my grief for love
Therefore I grieve for pleasure

I'm satisfied with my grief for love
Therefore I grieve eternally...

I'm satisfied with my grief for love
Therefore I grieve for pleasure
