

Back In Time

Deluxe

You'll never go back in time
Live in the now for real
Nothing you can do but flow
Flow with your corny and feel
You'll never go back in time
Live in the now for real
Nothing you can do but flow
Flow with your corny and feel
And feel

Sky diving, dancing with lightning
Chills multiplying watts up the spine and
Touching heaven and other dimensions
We ain't even set foot out the kitchen!
Light-hearted
I lock my skyrocket
She knocks the eye socket
The world's in my pocket
I don't know what I'm doing but I'm killing it
Lift off if you're feeling it

You'll never go back in time
Live in the now, for real
Nothing you can do but flow
Flow with your corny and feel
You'll never go back in time
Live in the now, for real
Nothing you can do but flow
Flow with your corny and feel
And feel

Hey! Ho!... Wiggle little moon, like no one watching
Cuz no one's watching
Wiggle little moon, wiggle little moon yeah!
Like no one's watching
Cuz no one's watching

I'm way too cool
Outfit gear and weapons Up to date
Wear a few ghouls on my neck, to demonstrate
Who the real zoos always early on a playdate
Early on a playdate
Early means not late
I'm messing with a game that I don't truly understand
Step in the arena bring pain to the mic-stand
Not gonna go bananas
But I might go bananas
Stick to my own mantra
Eyes on the Bahamas
Eyes on the Bahamas

You'll never go back in time
Live in the now, for real
Nothing you can do but flow
Flow with your corny and feel
You'll never go back in time
Live in the now, for real

Nothing you can do but flow
Flow with your corny and feel
And feel

Wiggle little moon, like no one watching
Cuz no one's watching
(Dance with me baby)
Wiggle little moon, wiggle little moon yeah!
Cuz no one's watching
