

Caught the latest gossip the morning after cream
Yes each and every loony 's got a funky tale to ice scream
What would you know now? Its been a show now
Our dearest birthday boy overpowered by his dream team
The facts are recalled to me in the midst of the party party
I've acted mighty naughty with my bestmate's pretty lady
Bemused attempt to disagree: isn't it a bit low
you dramatic bozzos how could this have slipped out of my brain

Cuz they've expected loads from me
I swear I tried my best but see
You can't change change a leopard spots
there's no way to change now my rotten heart

Fuck this I'll never change my ways I'm too dam stubborn with a
big ego
Yeah call me a prick that's fine I'm still gonna be here coz th
e music pays
Everyday get a little bit more, when I'm on tour never have a b
oring moment
From the train to the plane, land, picked up by the runner then
gotta get a beer at my hotel
alls well, so off to the venue with a big crowd waiting loud as
hell
up on the stage and the front row swells then their grabbing up
the barrier like locked in jail
I live for these moments of madness and love every second stand
ard
Its a way of life and we're living it running round like Jesse
J and the bandits
It's mandatory that we roll to glory there's not a dam soul tha
t can stop me
Play me love me drop me hate me we don't care this is Deluxe ba
by.

Cuz they've expected loads from me
I swear I tried my best but see
You can't change change a leopard spots
there's no way to change now my rotten heart

Cuz they've expected loads from me
I swear I tried my best but see
You can't change change a leopard spots
there's no way to change now my rotten heart
