

Stone Throw Away

Demarco

Woah
Woah, woah

She left me with more than a broken heart, heart, heart
It's harder to see more clear in the dark, dark, dark
And as the world keeps changing, baby, my love remains the same
And as the walls keep caving in, never meant to bring you no hurt, no pain

You know, you know
Let me love you baby
I know, I know
That I messed up crazy
Because of my fault
It affects you daily
Gather my thoughts
Me respect you baby
I know, I know
That we can talk it over
We know, we know
That we both grown older
I will be there
And if you need my shoulder
Just say the word
This is what I told her

I'll be around when you need, when you need, when you need me
I'm just a stone throw away
I'm just a stone throw away
I'll be around when you need, when you need, when you need me
I'm just a stone throw away
I'm just a stone throw away
I'll be around

Come make we climb to the top of the highest mountain to prove my love
I gotta be the man, 'cause I don't wanna be one that you used to love
Let me come over baby please, 'cause me know you can use a hug
Baby, it's unfortunate to due circumstances, girl, but a you me love

You know, you know
Let me love you baby
I know, I know
That I messed up crazy
Because of my fault
It affects you daily
Gather my thoughts
Me respect you baby
I know, I know
That we can talk it over
We know, we know
That we both grown older
I will be there
And if you need my shoulder
Just say the word
This is what I told her

I'll be around when you need, when you need, when you need me
I'm just a stone throw away

I'm just a stone throw away
I'll be around when you need, when you need, when you need me
I'm just a stone throw away
I'm just a stone throw away
I'll be around

Girl I wanna wake up with you
Without or with makeup boo-boo
Let's get a table for two
'Cause I don't wanna break up with you (No)
With you (No), with you (No)
I don't wanna break up with you (No)
With you (No), with you (No)
I don't wanna break up with you

I'll be around when you need, when you need, when you need me
I'm just a stone throw away
I'm just a stone throw away
I'll be around when you need, when you need, when you need me
I'm just a stone throw away
I'm just a stone throw away
I'll be around

I'll be around when you need, when you need, when you need me
I'm just a stone throw away
I'm just a stone throw away
I'll be around when you need, when you need, when you need me
I'm just a stone throw away
I'm just a stone throw away
I'll be around
