

Stop The World

Demi Lovato

G **Am**
1. I don't know why, I don't know why
F
I'm so afraid, so afraid.
G **Am**
And I don't know how, I don't know how
F
To fix the pain, fix the pain.
G **Am**
We're livin' a lie, livin' a lie
F
We just need to change, need to change.
G **Am**
'Cause we're out of time, we're out of time,
F
And it's still the same.

G **Am**
R: You can't stop the world,
C **F**
But there's so much more that we can do.
G **Am**
You can't stop this girl from falling more
C **F**
in love with you.
G **Am**
You said nobody has to know if
C **F**
it's time to go and take it slow.
G **Am**
But I can't stop the world
C **F**
If they finally let us be alone.

G Am C F

2. Hearin' the noise, hearin' the noise
From all of them, from all of them.
And I'm on the edge, I'm on the edge
Of breakin' down, breakin' down.
G (1x brnknout)
Like Bonnie and Clyde,
Am (1x brnknout)
Let's ride...
F (1x brnknout)
And take this town.
So keep it alive, keep it alive
Don't make a sound.
R: You can't stop the world...

G (1x brnknout) Am (1x brnknout)
*: If the world won't take that final blow,
G (1x brnknout) Am (1x brnknout)
I'll turn another page
F (1x brnknout)
It won't close the book.
R: You can't stop the world...

Let us be alone. Let us be alone...

G, Am, C, F (3x)

Alone, ooh, ohh, weee-ah. Alone...
