

Just Don't Know What to Do with Myself

Demis Roussos

I just don't know what to do with myself
Don't know just what to do with myself
I'm so used to doing everything with you
Planning everything for two
And now that we're through

I just don't know what to do with my time
I'm so lonesome for you, it's a crime
Going to the movie only makes me sad
Parties make me feel as bad
When I'm not with you
I just don't know what to do

Like a summer rose
It needs the sun and the rain
I need your sweet love
To beat all the pain

I just don't know what to do with myself
Don't know just what to do with myself
Baby, if your new love ever turns you down
Come back, I will be around
Just waiting for you
I don't know what else to do...
With myself
