

Sung to Possess

Demonical

Suffocate - who ever had this mind
Destroy - in ancient disgust

Enshrined - trifling and divine
Repulsive - segacious aberration

Exhuming voices - sung to possess
The stillborn warbles - sung to possess

Mortified - the aura digresses
Stillborn - warbles, like I savor this

Exhuming voices - sung to possess
The stillborn warbles - sung to possess

Rabidly rampant
They decry
Fervent, fever
A longing to die
The stillborn
Warbles to possess
Of darkened suns
Ecliptic eidolon
Spitefully undone
This plague from above

Exhuming voices - sung to possess
The stillborn warbles - sung to possess
