

If I Follow My Heart

Dennis Brown

If I follow my heart, I'm gonna love you.
And if I follow my dreams, I'm gonna leave you.
But if I follow my eyes when it's crying time, I'll be crying t
oo.
But if I follow what mom says, girl, we'll be true.
We will be true, we will be true...

If I follow my heart, I'm gonna love you.
And if I follow my dreams, my dreams, I'm gonna leave you.
But if I follow my eyes when it's crying time, I'll be crying t
oo.
But if I follow what mom says, girl, we'll be true.
We will be true, we will be true...

If I follow my heart, I'm gonna love you.
And if I follow my dreams, I'm gonna leave you.
But if I follow my eyes when it's crying time, I'll be crying t
oo, oh yeah.
But if I follow what mom says, girl, we'll be true.
We will be true, we will be true...
