

# So Much Love

Depeche Mode

I can't lie  
I can't fake  
I can't act my handshake  
This disclosure I must obey

There is so much love in me

I can't run  
I have tried  
There's a thorn in my side  
There is something I can't hide

There is so much love in me

You can forsake me  
Try to break me  
But you can't shake me now  
You can despise me  
Demonise me  
It satisfies me so

There's a fire in my veins  
The desire causes pain  
I would say it again

There is so much love in me

You can forsake me  
Try to break me  
But you can't shake me now  
You can despise me  
Demonise me  
It satisfies me so

There is so much love in me  
There is so much love in me  
There is so much love in me  
There is so much love in me
