

Somebody

Depeche Mode

G
I want somebody to share,
G
share the rest of my life
Ami
share my innermost thoughts
Asus2 Ami D
know my intimate details

G
Someone who'll stand by my side
G
and give me support
Ami
and in return she'll
get my support

D G
She will listen to me
D Hmi
when I want to speak
D D7 G
about the world we live in
D G
and life in general
G
Though my views may be wrong
Hmi
they may even be perverted
Ami
she'll hear me out
D Am
and won't easily be converted
G
to my way of thinking
Ami
in fact she'll often disagree
G
at the end of it all
Bm
she will understand me

C G

G
I want somebody who cares
G
for me passionately
Ami D
with every thought and with every breath
G
someone who'll help me see things
in a different light
all the things I detest
Ami
I will almost like

D **G**
I don't want to be tied
D **Hmi**
to anyones strings
Ami
I carefully try to stay clear
C
of those things
G
but when I'm asleep,
Ami
I want somebody
C
who will put their arms around me
Hmi
kiss me tenderly
G
though things like this,
Ami
make me sick
G
in a case like this
Hmi
I'll get away with it
