Where's the Revolution

Depeche Mode

You've been kept down You've been pushed 'round You've been lied to You've been fed truths Who's making your decisions? You or your religion Your government, your countries You patriotic junkies Where's the revolution? Come on, people You're letting me down Where's the revolution? Come on, people You're letting me down You've been pissed on For too long Your rights abused Your views refused They manipulate and threaten With terror as a weapon Scare you till you're stupefied Wear you down until you're on their side Where's the revolution? Come on, people You're letting me down Where's the revolution? Come on, people You're letting me down The train is coming The train is coming The train is coming The train is coming So get on board Get on board Get on board Get on board The engine's humming The engine's humming The engine's humming The engine's humming So get on board Get on board Get on board Get on board (Where's the revolution?) The train is coming The train is coming The train is coming The train is coming So get on board

Get on board Get on board

Get on board
(Where's the revolution?)

The engine's humming
The engine's humming
The engine's humming
The engine's humming
So get on board
Get on board
Get on board
Get on board

Where's the revolution? Come on, people You're letting me down Where's the revolution? Come on, people You're letting me down

Where's the revolution? Come on, people You're letting me dowm Where's the revolution? Come on, people You're letting me down
