

Get A Life

Des'ree

Wake up, greet the angels
Sit back and wipe your eyes
Treat yourself to a facial, just by smiling
Slow down, you move too quickly
You've got to take the time
To touch and smell the flowers,
They're beautiful, yeah

Dum di dum di diiie
Dum di dum di diiie
Dum di dum di diiie take it in your stride
Dum di dum di diiie anytime you like
Dum di dum di diiie you can get a life

We know, life is tricky
Look it straight in the eye
Marley spoke of a revival, Exodus yeah

Stand back, stand back,
Look around, look around
What do you see? What do you see?
This is such a great dream
Breathe in, breathe out, take it in, all the way
This is such a great, such a beautiful,
Oh ho, oh ho, yeah, yeah

In the blink of an eye, you can get a life
When you decide, you can get a life
