

# Silly Girl

Descendents

Started on a summer Sunday the pink dress on the setting sun  
You were going to grandma's house I was too scared to come

Silly girl I'm beggin you  
Tell me all the things that I want to hear  
Silly girl I'm in love with you

I had to run to catch you, you always move so fast  
With your cute little smile and silly laugh, God gave me love at last

They said just stay away and now I wish I had  
I'm so in love with you, my silly girl

They made me go away, sometimes life isn't fair  
But I'll be back some day, I hope you'll still be there

When you're just a Silly boy like me you're always so scared  
I was too scared to love you, even though I really cared
