

Tack

Descendents

Time for a new me
I hear they're having a sale at Thrifty
I'm trading myself in
And I don't care what I get for it
'Cause I finally burned out
Been kicking myself for way too long

Finally found out
What it feels like to be living a lie
Wasting my time, paralyzed
Wishing I was in another world
I'm taking a new tack
Gotta turn my back to turn back
I don't wanna close doors
But I don't wanna feel this way anymore
So I'm finding my way out
By turning away from a brick wall
Finally found out
What it feels like to be living a lie
Wasting my time, paralyzed
Wishing I was in another world
Somebody tell me what to do
I've wasted my last 15 years
Jumping through their hoops
Only to find nothing waiting for me
But academic oblivion - my proud destiny

See I finally burned out
Been kicking myself for way too long

Finally found out
What it feels like to be living a lie
Wasting my time, paralyzed
Wishing I was in another world

Wishing I was in another world...
(Somebody tell me what to do)
Wishing I was in another world...

Time for a new me
