

Mother Nature

Desmond Dekker

La la la la la la la
La la la la la la la yeah
La la la la la la la
For Mother Nature will do her part

Listen to me!
We got the sun, mmm, and the moon above
And the stars that shine each night, aye, mmm
We got the rain and the wind that blows
And the birds, the flower and the bee

And that is why I gotta sing it you
La la la la la la la
Sing your song
La la la la la la la yeah
La la la la la la la
For Mother Nature will do her part

Verse, I said yeah
Listen to me children!
La la la la la la la oh yeah
La la la la la la la yeah
La la la la la la la
For Mother Nature will do her part

We gotta sing it now!
La la la la la la la
La la la la la la ...
