

Highest Place

Desperation Band

Lord You search me
And You know me
You hear all of my thoughts
No point in hiding
Lord You've found me
So completely in need of You
I cannot run from You
If I go to the heavens or down below
You are right there waiting
If I rise on the wings of the dawn
You are there, I will find you waiting
You are in the highest place
You are in the falling rain
You are in the mountain peaks
And valleys speak
The wonders of Your Name
You are in the perfect sky
You're in every breath I breathe
You're in every moment
life seems to pass me by
You 're my Prince of Peace
In the glory
Of your glory
I become like You are
Its overwhelming
In the presence
Of Your presence
I finally see
All You r love, for me
You're everything
You're in everything
You're in every cry
It all ends and starts
With You my King
