

Down

Destine

you all know
tonight is the night to let it go
put on a show
I wanna see how you lose control

so leave it behind
cause we have a night to get away
so fly with me
as we make our great escape

so baby`don't worry
you were my only
you won't be lonely
even if the sky is falling down
you'll be my only
don't need to worry
baby are your..
down down down down down down down
baby are your
down down down down down down down
even if the sky is falling down

just let it be
come one and bring you body next to me
I take you away
turn this place into a brighter get away

so leave it behind
cause we have a night to get away
so come on and fly with me
as we make our great escape

so baby don't worry
you were my only
you won't be lonely
even if the sky is falling down
you'll be my only
don't need to worry
baby are your..
down down down down down down down
baby are your..
down down down down down down down
even if the sky is falling down
down down
baby are your..
down down down down down down down
even if the sky is falling down
