Conflagrate  
Seal the bridge  
Take the supports away  
Tear it down  
Leave no trace  
We'll move like ghosts this day

Orders in  
Moving out  
Secret quarters  
Ocean bound  
Arctic ice  
Frozen home  
UFO  
Cyborg chrome

Go

Go  
Now (7x)

Conflagrate  
Seal the bridge  
Take the supports away  
Tear it down  
Leave no trace  
We'll move like ghosts this day  
Sensors heat  
Infrared fleet  
Mechanized opponents  
There is no retreat

Crush  
Seize  
Burn  
Kill  
Leave no one alive  
Let no one survive  
Mortification  
We annihilate  
Electro-Degration  
We're gonna mutilate  
Leave no one alive

Let no one survive  
Get moving now

Alright  
Divide and conquer

Go

Divide collide  
Cross us you're denied  
We'll provide your insides  
To your robotic eyes  
We'll blow up your way home  
Your big ships made of chrome  
Divide collide  
Looks like your battery died

Conflagrate  
Seal the bridge  
Take the supports away  
Tear it down  
Leave no trace  
We'll move like ghosts this day  
Sensors heat  
Infrared fleet  
Mechanized opponents  
There is no retreat

Crush  
Seize  
Burn  
Kill  
Leave no one alive  
Let no one survive
