

Heads Or Tails

Devil Doll

How long has it been
Since we tryed this all over again.
I can't wait to see your face
And kick your ass all over the place.
You still think I love you so
Love you so much to let you go
Hoping that I don't run into you
Cause my knees get weak
And I don't know what I'd do.

Heads or tails you choose,
Either way I loose.
You've got this way to put me on the spot.
You love me, you love me not.

Everytime I think we get along
It turns out to be the same old dance and song.
You can start a fight out of thin air
Don't know what hit me
Cause you never ever did play fair.
You are the center of the universe
And your love is more like a curse.
I'm still waiting for my wounds to heal
I ain't got nothing for you left to steal.

Count the days I'm gone as I walk away
I'll bet it'd wipe that stupid smile right off your face.
You think you knows what best for me
Well I'll tell you what, I don't involve you and me.
So I think I'll be on my way,
There's nothing you can say or do to make me stay.
I can't wait to never see you again,
I'm feeling better at the thought of this being the end.
