

El Grande Nalgas

Devin the Dude

Tu esta muy bonita

Hey baby, you sho look mighty fine when you walk my way
Say lady, I sho wish there was somethin I could say
That booty, I trully wish that I could speak your language
Cause I really don't know how to explain it

Oooh, bonita, tu tienes el grande nalgas

So mannish, the thoughts that goes & stops inside my head
My spanish, it's so bad I don't know what the fuck I said
Excuse me, senorita I'm just tryna find the words
To let you know I like the way your booty curves

So authentic, the way you move those hips when the music plays
All off in it, I'll groove if I could be with you today
"No comprende, " is all I get when I ask you to dance
I really wanna feel what's in them pants, girl

[Chorus: repeat w/ ad-libbing until the end]
