

Get High

Devin the Dude

Say man,
Oh man look at that dude over there
Nigga trippin'
See him?
And he got
Look at all that weed he got all over him
He's out in public
All that shit
Man he know that shit illegal
Look look
Man that fool is trippin'
Dude he's slobbering all over his self
He ain't got his shirt buttoned up or nuttin'
He's sweatin'
40oz layin' on the ground and shit
What in the hell wrong with him?

Ooo ooo
Who the fuck is that nigga over there?

Yeah
All y'all
Gotta forgive me if I do something wrong or say something silly
I'm high
Been this way for years
Got nothing to do with brew, weed and the pills
Cheap thrills
Higher than you can imagine
You know, right before you cash in
Why I'm feel in this way?
Cause I've been getting fucked up and still here today

Hiiiiiiigh
Hiiiiiiigh
Hiiiiiiigh
Hiiiiiiigh
I'm high
