Devin the Dude

You can put the blame on me
You can say shame on me
You can even say I lied

You can even say I lied

Yeah, mmm-hmm, mmm-hmm

You can put the blame on me (Put the blame)
You can say shame on me (Shame)
You can even say I lied
But I tried, I tried

You can put the blame on me (Blame on me)
You can say shame on me (Shame on me)
You can even say I lied
But I promise I tried
