

# See What I Can Pull

Devin the Dude

I wasn't gonna come but now that I'm  
Here  
I'm glad I came, the club is bomb  
Greens got a big cooler of drank, he gives me some  
Then I step to bitches with game we try to run

Up in these hoes, don't even know their name  
They have no bra, no panties, they never say no  
They just hyper out and go on they way  
All the way home

I'll just wait 'cause inside is much too stuffy  
Gotta find some pussy  
The club don't close till three  
And if you're lookin' for me I'll be

Sittin' in front of the ride  
Drinkin' and smokin' some weed  
Checkin' out the bitches  
Tryin' to see what I can see

I didn't know that there were  
So many hoes round here  
Got a parkin' lot full  
And I'll be checkin' out the bitches  
Tryin' to see what I can pull

I spotted this bitch that I use to hit  
Back in the day she thinks I'm rich  
Therefore she feels that I should pay  
She doesn't got dick

Nice palm sized tits but there is no way that I can give  
Her money for something I get for free  
She had no bra, no panties, she's ready to bone  
Even stock on her cock or you get ready to bone

I think I'll just wait, that just don't sound good to me  
Gotta find some cheap pussy  
The club don't close till three  
And if you're lookin' for me I'll be

Sittin' in front of the ride  
Drinkin' and smokin' some weed

Checkin' out the bitches  
Tryin' to see what I can see

I didn't know that there were  
So many hoes round here  
Got a parkin' lot full  
And I'll be checkin' out the bitches  
Tryin' to see what I can pull

It's almost nine, it's damn near two  
It's gettin' late and that's a sign  
Of all the stars out on the chase, niggas be lyin'

Tryin' to win these hoes like it's a race and I don't mind  
If I see a nigga all in my bitch face

If she has no bra, no panties  
Look like she wanna bone  
And it ain't no pain at all  
Just go and take that hoe home

And I'll just wait for one of these freaks  
To come with me to make whoopy  
Find a piece of pussy  
My watch says a quarter to three  
And if you're lookin' for me I'll be

Sittin' in front of the ride  
Drinkin' and smokin' some weed  
Checkin' out the bitches  
Tryin' to see what I can see

I didn't know that there were  
So many hoes round here  
Got a parkin' lot full  
And I'll be checkin' out the bitches  
Tryin' to see what I can pull

Sittin' in front of the ride

Checkin' out the bitches
