

Babysong

Devin Townsend

Why don't you have a baby?
Why don't you have a child?
Babies are good
And part of humanity's charm
Why don't we have a baby?
Why don't we have a child?
Babies are you
And fatherhood rights all your wrongs

Goodbye baby, Daddy's going away
Goodbye Daddy... Baby's here to stay

A little baby!
Why don't you have a baby?
Why don't you have a child?
Babies are good
And fatherhood rights all your wrongs

Baby...
