```
WANDERING SOUL OF MINE!
WANDERING IN TIME!
WANDERING SOUL OF MINE!
Ahh, we are so far gone!
I knew you once, what will you become?
I PROBABLY WOULD!
I PROBABLY WOULD!
Soon you will know where all the sinners go..
I sew you up and throw you away!
All is calm, all is well!
A LIFE WORTH WAITING FOR!
ALL is rooted, in INFINITE CHAOS!
CHOOSE YOUR PERSPECTIVE!!!
Pandemic (I farted!)
Pandemic (I farted!)
WE ARE ALL! ... HERE COMES THE TRUTH!
EGO EGO EGO!
I probably would....
JUST GET IT OUT!
YES!
WANDERING SOUL OF MINE!
WANDERING IN TIME!
WANDERING SOUL OF MINE!
```
