

Superhero Jagganath

Diablo Swing Orchestra

Hide away from me
From who I am, infinity
Time to blossom rage
If people want to cage me like an animal
Tonight I'm gonna show you my supremacy

Now, I am unsatiabile
I'm unerasable
I'm jagganath

Now, I'm indestructible
Endlessly beautiful
I'm jagganath

Gotta hunt, gotta find
Feed the fire in my mind
Fuel for my prosperity
Gonna cut, gonna slash
Gonna burn you into ash
For my prepotency

Jagganath

Now, I'm unerasable
I'm indestructible
I'm jagganath

Now, I am unstoppable
Endlessly beautiful
King of the world
You connoisseur
What you deserve
And I am

Superhero Jagganath x8

Oh jagganath

Prowling to succeed
The hero stampedes hysterically
Violent masquerade
I'm brutal and appalling to your common eyes
Tonight I'm gonna show you my sublimity

I'm gonna pry, inside your mind
And I'm about to try a little thing
Called hypnotize
Nowhere to run, nowhere to hide
And in the end I will deliver you demise

Now, I'm unerasable
I'm indestructible
I'm jagganath

Now, I'm unerasable
I'm indestructible
I'm jagganath

Superhero Jagganath x4

Superhero Jagganath x2
Superduperhero Jagganath

Now, I'm unerasable
I'm indestructible
I'm jagganath

Lights out for the wonderful
Endlessly beautiful
State of the art
