

# This Corrosion

Diane Birch

Gimme the ring, kissed and toll'd  
Gimme something that I missed  
A hand to hold, wild and what it seems  
Kill the king, when love is the law,  
And the we'll turn round...  
Gimme dream child  
And do you hear me call?  
On the loan and on the level  
...still on the floor  
Sing dream child  
And do you hear at all?

Hey now, hey now now, sing this corrosion to me  
Hey now, hey now now, sing this corrosion to me  
Hey now, hey now now, sing this corrosion to me  
Hey now, hey now now, sing...

Gimme siren, child and do you hear me?  
Gimme siren, child, and do you hear me call?  
Sing, child, of right and wrong  
Gimme things that don't last long  
Gimme siren, child, and do you hear me call?

Hey now, hey now now, sing this corrosion to me  
Hey now, hey now now, sing this corrosion to me  
Hey now, hey now now, sing this corrosion to me  
Hey now, hey now now, sing...

On daze, like this  
In times like these  
I feel an animal deep inside  
Heel to haunch on bended knees  
Living on if and if I tried,  
Somebody send me... please...  
Dream wars and a ticket to seem  
Giving out and in  
Selling the don't belong  
Well, what do you say  
D'you have a word for giving away?  
Got a song for me?

Hey now, hey now now, sing this corrosion to me  
Hey now, hey now now, sing this corrosion to me  
Hey now, hey now now, sing this corrosion to me  
Hey now, hey now now, sing...

I got nothing to say I ain't said before  
I bled all I can, I won't bleed no more  
I don't need no one to understand  
Why the blood run hold  
The hired hand  
On heart  
Hand of god  
Floodland and driven apart  
Run cold  
Turn  
Cold

Burn
