Can't Believe

Uh, oh, oh yeah Oh, oh, oh, oh, oh yeah

I always dreamed that everything would be okay With me and you, but I was wrong When I looked into your eyes I didn't see all the things I used to see What's going on? You gave me reason to believe that We were always meant to be But now I see, you were wrong You can't keep running back to me With all those "Baby, baby please"-s No more, no more Never imagined You would be a painted picture I'm emotional You saw me leaving No deceiving, it's official I'm emotional I can't forget that night I saw you in the corner Wrapped up tight, you were wrong ooh Slow dancing on the floor While I was watching from the door So hurt, there you were You had your chance But you through it all away Thought you had my love always Oh baby, I don't understand Why you think that we could in total unhappiness
