Dmi

1. I know you think that I shouldn't still love you,

Ami

Or tell you that.

Dmi

But if I didn't say it, well I'd still have felt it

Ami

where's the sense in that?

C

I promise I'm not trying to make your life harder

Gmi

Ami

Or return to where we were

B

F

R: But I will go down with this ship

Gmi

Dmi

And I won't put my hands up and surrender

B

F

There will be no white flag above my door

C

Gmi

I'm in love and always will be

2. I know I left too much mess and
destruction to come back again
And I caused but nothing but trouble
I understand if you can't talk to me again

C

And if you live by the rules of "it's over"

Gmi

Ami

then I'm sure that that makes sense

R: But I will go down with this ship...

F

*: And when we meet
Which I'm sure we will

Ami

All that was there
Will be there still

Gmi

I'll let it pass
And hold my tongue

C

And you will think
That I've moved on.....

R: I will go down with this ship... (3x)
