

5 pm

Die Happy

What will it be like  
To get to know you from another side  
Will it still be you  
When you walk into another life

Will I always remember  
How it was to feel you near  
Is that what I fear

5PM ADDICTION  
COSY FICTION TO ME  
WEEKDAY SATISFACTION  
MY ATTRACTION WILL INCREASE

Supermarket love

I always felt so strong  
Too strong to put away my pride  
Maybe I was wrong  
Maybe you would never change your mind

I will always remember  
How it was to feel you near  
Is that what I fear
