

# Big Boy

Die Happy

Is it a physical reaction  
A final loss of satisfaction  
You never noticed, when you crossed the line  
Yeah

You had me just there where you wanted  
You took my charity for granted  
You blew your second chance too many times  
Yeah

Baby, you're a Big Boy  
Don't cry for me  
I'm sick of being your toy  
Can't play with me  
You've been putting me up  
And you've been letting me down  
There is nothing left to destroy  
You're - Big Boy

Never did anything to reach me  
But when I ask you to unleash me  
You tied me up and choked me even more  
What for  
Yeah  
Here is your chain  
I guess you find the door, once more

Baby, you're a Big Boy  
Don't cry for me  
I'm sick of being your toy  
Can't play with me  
You've been putting me up  
And you've been letting me down  
There is nothing left to destroy  
You're - Big Boy

Remember how you brought me flowers  
Remember how you used to care  
Now the flowers got thorns  
You just care for yourself  
And the paradise you gave me  
Turned into to hell  
There is no turning back  
As a matter of fact  
It's too late

There's no way to stop me  
There's no way to lock me up  
You can't stop me

Baby, you're a Big Boy (you don't know, you don't know)  
Don't cry for me  
I'm sick of being your toy (you don't know, you don't know)  
Can't play with me  
You've been putting me up  
You've been letting me down  
There is nothing left

Baby, you're a Big Boy (you don't know, you don't know)  
Don't cry for me  
I'm sick of being your toy (you don't know, you don't know)  
Can't play with me  
You've been putting me up  
You've been letting me down  
There is nothing left to destroy  
You're - Big Boy
