

Wannabe

Die Happy

Big hit on the radio
Big man with a license to deceive
You taste like a perfect chocolate cake

You are the only one
So good and gracious a man can be
Born with the silver spoon
in your mouth

Systematic breakdown
Television hero
A second of your life

I don't wanna be a wannabe like you
It feels fine just to be myself
I don't wanna be a wannabe like you
I'm sinner, that's good to me
A.s.s.h.o.l.e
I don't wanna be a wannabe like you
Read my mouth

Handshake in a mirror ball
Sounds in each corner of this room
You are a bunch of man I know

Must have many skeletons
In the closet with the golden key
Exaggeration is your second name
