

Woman, Amen

Dierks Bentley

I'd lose my way and I'd lose my mind
If I faced one day on my own
I know I was saved
The night that she gave this drifter's heart a home

Every night I should be on my knees
Lord knows how lucky I am
I'll never say near enough
Thank God for this woman, Amen

This world has a way of shaking your faith
I've been broken again and again
But I need all the cracks in my shattered heart
Cause that's where her love gets in

Every night I should be on my knees
Lord knows how lucky I am
I'll never say near enough
Thank God for this woman, Amen

She gives me faith
She gives me grace
She gives me hope
She gives me strength
She gives me love
Love without end
Thank God for this woman, Amen

Thanks for the moon and the stars up above
Forgiveness' a sin in your undying love
Every twist every turn for the way you made sure
All my roads led to home

So tonight I will fall down on my knees
Cause Lord knows how lucky I am
I'm gonna shout at the top of my lungs
Thank God for this woman, Amen
And thank God for this woman, Amen

She gives me faith
She gives me grace
She gives me hope
She gives me strength
She gives me love
Love without end
Thank God for this woman, Amen
