

# Never Miss Your Water

Diesel

Jilly was a young girl  
Treated her like she was a friend of mine  
She wanted me for a lover  
But damn did I see it  
Man, I was so blind

Because the grass looks greener on the other side  
Your cup runneth over till you're never satisfied  
She was the one, but I thought there was another  
I came out lookin' like a prodigal lover

Now I... I know that you never miss your water till you're dry  
(Never miss your water... your water till you're dry)  
Now I... I know that you never miss your water till you're dry;  
why, why  
(Never miss your water... your water till you're dry)

You can't buy love, but you spend all your money just makin' ti  
me  
Yeah, the best things are free  
Can you please tell me why I ain't got a dime?

Because the grass looks greener on the other side  
Your cup runneth over till you're never satisfied  
She was the one, but I thought there was another  
I came out lookin' like a prodigal lover

Now I... I know that you never miss your water till you're dry  
(Never miss your water... your water till you're dry)  
Now I... I know that you never miss your water till you're dry;  
why, why  
(Never miss your water... your water till you're dry)  
Now I... I know that you never miss your water till you're dry;  
why, why

Jilly is a woman now  
My, oh, my  
How things have changed  
She's turnin' heads and breakin' hearts  
Everyone in town wants to know her name

Now I... I know that you never miss your water till you're dry  
(Never miss your water... your water till you're dry)  
Now I... I know that you never miss your water till you're dry;  
why, why  
(Never miss your water... your water till you're dry)  
Now I... I know that you never miss your water
