

# Whatever It Takes

Digital Summer

I'm sorry  
Just isn't good enough  
This time there's nothing  
You can do to change my mind  
Inject the silence  
Inject the silence  
Inject the silence  
Just to bring me peace

Break everything!  
Break everything!  
Break everything!  
Break everything!

I'll do whatever it takes  
To get you out of my life  
I'll do whatever it takes  
To just make you go away!

You've fallen  
And I'm not about to pick you up  
There's something  
In your voice that makes me sick  
So sick of the insults  
So sick of the torment  
So sick of everything

Break everything!  
Break everything!  
Break everything!  
Break everything!

I'll do whatever it takes  
To get you out of my life  
I'll do whatever it takes  
To just make you go away!

I'll do anything  
(I'll do anything)  
To get you away from me  
I'll do anything  
(I'll do anything)  
To get you away from me!

I'll do whatever it takes  
To get you out of my life  
I'll do whatever it takes  
To just make you go away!

I'll do whatever it takes  
To get you out of my life  
I'll do whatever it takes  
To just make you go away!

Away!
