## **Holy Diver**

Holy Diver You've been down too long in the midnight sea Oh what's becoming of me Ride the tiger You can see his stripes but you know he's clean Oh don't you see what I mean Gotta get away Holy Diver Shiny diamonds Like the eyes of a cat in the black and blue Something is coming for you Race for the morning You can hide in the sun 'till you see the light Oh we will pray it's all right Gotta get away-get away Between the velvet lies There's a truth that's hard as steel The vision never dies Life's a never ending wheel Holy Diver You're the star of the masquerade No need to look so afraid Jump on the tiger You can feel his heart but you know he's mean Some light can never be seen Holy Diver You've been down too long in the midnight sea Oh what's becoming of me Ride the tiger You can see his stripes but you know he's clean Oh don't you see what I mean Gotta get away Holy Diver
