

# We Rock

Dio

You watch their faces  
You'll see the traces  
Of the things they want to be  
But only we can see

They come for killing  
They leave and still it seems  
The cloud that's left behind  
Oh, can penetrate your mind

But sail on, sing a song, carry on  
Cause We Rock, We Rock, We Rock, We Rock

We pray to someone  
But when it's said and done  
It's really all the same  
With just a different name

So many voices  
All giving choices  
If we listen they will say  
Oh, we can find the way

But we'll sail on, sing a song, carry on  
Cause We Rock, We Rock, We Rock, We Rock  
We Rock, We Rock, We Rock, We Rock  
We Rock!

We Rock  
You watch their faces  
You'll see the traces  
Of the things they want to be  
But only we can see

They come for killing  
They leave and still it seems  
The cloud that's left behind  
Can penetrate your mind

Sail on, sing a song, carry on  
Cause We Rock, We Rock, We Rock, We Rock  
We Rock, We Rock, We Rock, We Rock

Ride out - stand and shout - carry on  
Sail on - Sing your song - carry on

Cause We Rock, We Rock, see how We Rock  
We Rock  
That's rock  
We Rock  
We Rock
