

# Do You Know the Way to San Jose

Dionne Warwick

Do you know the way to San Jose  
I've been away so long  
I may go wrong and lose my way  
Do you know the way to San Jose  
I'm goin' back to find  
Some peace of mind in San Jose

LA is a great big freeway  
Put a hundred down and buy a car  
In a week, maybe two, they'll make you a star  
Weeks turn into years, how quick they pass  
And all the stars that never were  
Are parkin' cars and pumpin' gas

You can really breathe in San Jose  
They've got a lot of space  
There'll be a place where I can stay  
I was born and raised in San Jose  
I'm goin' back to find  
Some peace of mind in San Jose

Fame and fortune is a magnet  
It can pull you far away from home  
With a dream in your heart you're never alone  
Dreams turn into dust and blow away  
And there you are without a friend  
You pack your car and ride away

I've got lots of friends in San Jose  
Do you know the way to San Jose

Oh, LA is a great big freeway  
Put a hundred down and buy a car  
In a week, maybe two, they'll make you a star  
Weeks turn into years, how quick they pass  
And all the stars that never were  
Are parkin' cars and pumpin' gas

I've got lots of friends in San Jose, oh...oh...  
Do you know the way to San Jose, mmm...mmm...  
Can't wait to get back to San Jose
