

Don't Say I Didn't Tell You So

Dionne Warwick

Don't ever say I didn't tell you so,
I did, you know, someday you'll wish you were back with
me
Don't think Mr. Heartbreak passed you by
Someday you'll cry, you'll meet your match, wait and see

And she will do to you everything you did to me
And she will cheat and tell you lies that you'll believe
While she's laughing up her sleeve
As you gave you'll receive

Someday you'll wish you were back with me
You'll meet your match, wait and see

And she will do to you everything you did to me
And she will cheat and tell you lies that you'll believe
While she's laughing up her sleeve
As you gave you'll receive

Don't ever say I didn't tell you so,
I did, you know, you're gonna cry and wish you were back
with me
Wish that you were back, wish that you were back with
me...
