## **People Get Ready**

## **Dionne Warwick**

People, get ready, there's a train a coming You don't need no baggage, you just get on board All you need is faith to hear the diesels humming Don't need no ticket, you just thank the Lord

So people, get ready for the train to Jordan Picking up passengers from coast-to-coast Faith is the key, open the doors and board them There's hope for all among His chosen ones

There ain't no room for the hopeless sinner
Who would hurt all mankind just to save his own
Believe me now, have pity
On those whose chances grow thinner
But there's no hiding place against the kingdoms throne

So people get ready, there's a train a coming So people get ready, there's a train a coming You don't need no baggage, you just get on board All you need is faith to hear the diesels humming Don't need no ticket, you just thank the Lord
