

# Thirsty and Miserable

Dirty Projectors

My brother wants a ride  
To the liquor store  
You pity him  
You pity him for what he wants it for

Miserable and thirsty  
Always wanting more  
Miserable and thirsty  
Always wanting more  
More, more...

It's now one-thirty  
And we're all getting nervous  
The store closes  
The store closes at two  
And there's not enough to last us

Miserable and thirsty  
Always wanting more  
Miserable and thirsty  
(thirsty and miserable, thirsty and miserable)  
Always wanting more  
More... (thirsty and)  
More...

Thirsty and miserable, thirsty and miserable...  
(Miserable and thirsty, always wanting more...)

Miserable and thirsty  
Always wanting more  
Miserable and thirsty  
Always wanting more  
More... (thirsty and)  
More...
