

## Videotapes

Disco Ensemble

The vampires sucking dry the innocent  
Jackknives they stabbed the good Samaritan  
These fingertips spill blood on tape recorders  
Now cut my iris miss America  
But our love is a fortress  
Where we will rewind  
Videotapes and c-cassettes of the better times

We'll sleep tonight  
We'll just leave the light on  
(Sleep away with evil)  
We'll sleep tonight  
Hold each other tighter

Avengers tried to wake the sleeping crowd  
But the masses drown in their anemia  
Now the plot thickens, the path narrows  
The odds are against us all  
And the sunburns kill this prince of Persia
