

Dance Of Love

Divinyls

We got feelings
We both admire the same things
We've taken chances
And we know what the pain in
Oh and I'm trying not to break
Your heart oh I'm trying

Know this before you start
You could lose your heart
In the dance of love
Come on, come on, come on, come on
Better watch your step
In the dance of love

We both agree we're in the same mess
If things get tight
Our whole world knows it's alright
Oh and I'm trying to find a place
To start oh I'm trying

Oh, oh, oh superstitious
We had our hit and misses
If things get tight
Our whole world knows it's alright
Oh, oh and I'm trying not to break your heart
Oh, oh and I'm trying
