

# Only Lonely

Divinyls

Well I feel alright when it comes daylight  
But when it comes the night  
I am only lonely I am only lonely

And if it doesn't feel right when I hold you tight  
Oh baby it's alright I am only lonely  
Oooh, baby wonder if we could get involved  
Oooh, baby wonder if we could get involved

And if it doesn't feel right when it comes daylight  
But when it comes the night I am only lonely

He said come on baby, not on the first date  
So I said ok baby, how long must I wait?

And if it doesn't feel right when it comes daylight  
But when it comes the night I am only lonely

And if it doesn't feel right when I hold you tight  
I am only lonely

Wonder could we get involved
