

Not Ready To Make Nice

Dixie Chicks

- Em** **D**
1. Forgive, sounds good
G **C**
Forget, I'm not sure I could
Em **D**
They say time heals everything
C
But I'm still waiting
2. I'm through with doubt
There's nothing left for me to figure out
I've paid a price
And I'll keep paying
- G**
R: I'm not ready to make nice
D
I'm not ready to back down
Em
I'm still mad as hell and
C
I don't have time to go round and round and round
G
It's too late to make it right
D
I probably wouldn't if I could
Em
'Cause I'm mad as hell
C
Can't bring myself to do what it is you think I should
3. I know you said
Can't you just get over it
It turned my whole world around
And I kind of like it
- Em**
I made my bed and I sleep like a baby
D
With no regrets and I don't mind sayin'
G
It's a sad sad story when a mother will teach her
C
Daughter that she ought to hate a perfect stranger
Em
And how in the world can the words that I said
D
Send somebody so over the edge
G
That they'd write me a letter
C
Sayin' that I better shut up and sing
C
Or my life will be over

R: (2x)
